

LUST
OR
LOVE

DIY WORKSHOP.

noblogs.org

"... to project the assumption that "feminist" is but another pre-packaged role women can now select as they search for identity."

"more often than not, they are attempting to cover up the fact that they are totally unwilling to surrender their hegemonic dominance of theory and praxis,

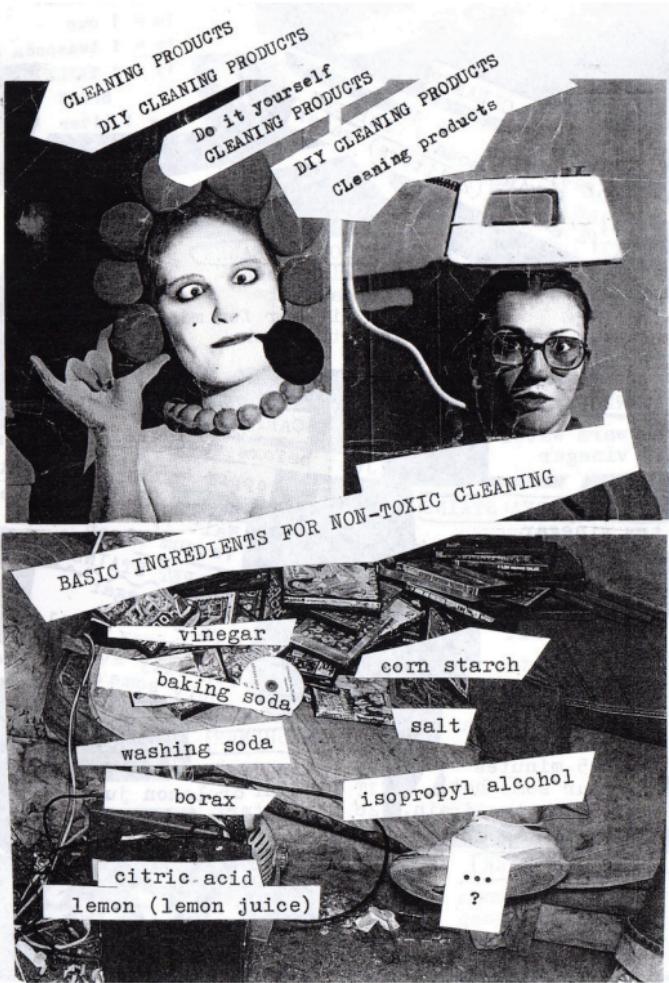

a dominance which they would not have established were this nota white supremacist, capitalist state."

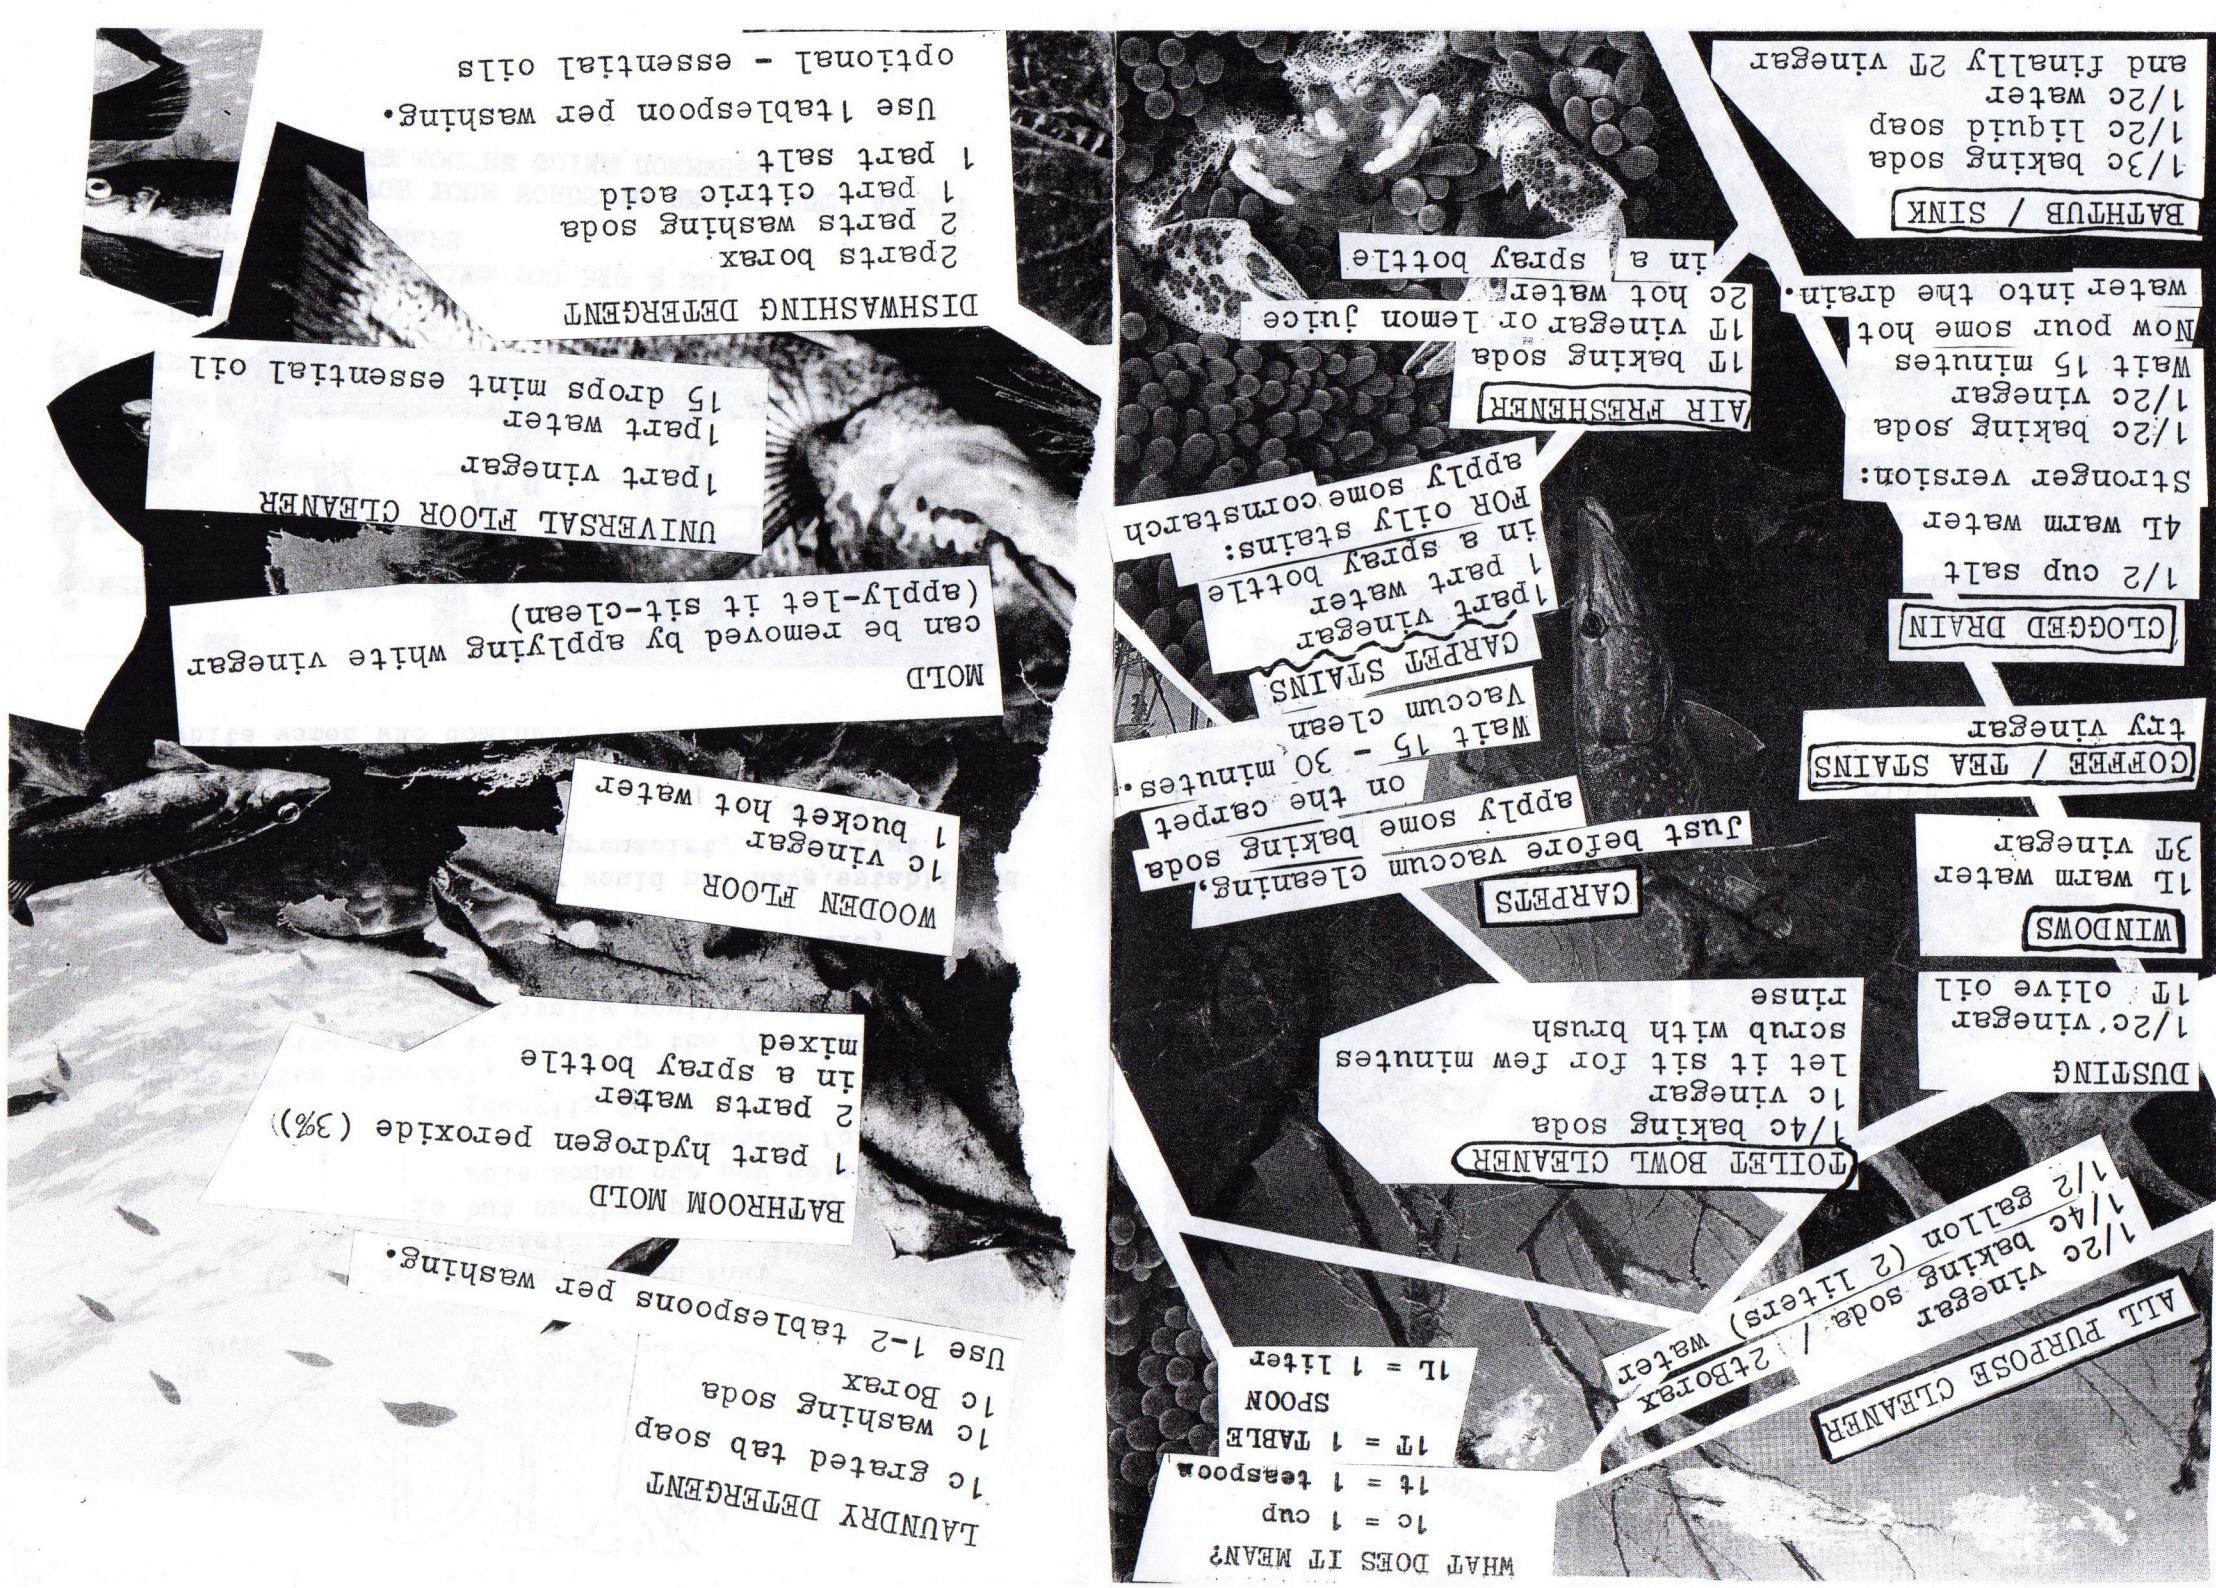

bell hooks
on white women who dominate feminist discourse.

LIST

- DO NOT APOLOGIZE
- DO NOT STOP DANCING YOU BIG ASS!
- STOP MAKING HEAPS
- FIND A WAY FOR YOUR WORDS TO BE LED OUT, ANYWAY
- STOP THINKING YOU'RE GOING SOMEWHERE

All my relationships have been

I keep doing it hoping that even when methadone is so strong at first, that even when

There is however, a withdrawal stage. It's not there anymore, and then there is the really unhealthy before it ends.

...I need time to heal, or maybe I don't
the cycle again.

different this time because it's with a different person. But I'm still thinking it will be doing the same.

I'm really scared that I'll confuse you and love, I pure and loved at all. I'm confused and loved at all.
