PRESENTERER:

MACUNAIMA

I'm too white to be Brazilian, and not white enough to be European. White privilege is to have the entitlement to judge what I am. To educate me on the political situation of my own country. To educate me on the political situation of my own country. To educate me on the political situation of my own country. We are here, finally, to educate You on how we contextualized anarchism in our own life. in our bodies, and in our home. You on how we White privilege is to not know about or much less experience 'post-colonial' identity.

THE ANTHROPOPHAGY MOVEMENT

IT's not safe for women and people of color to be surrounded by white men (and some women) who act like they know better, (CISgender)

They have no idea what those with post colonial identity had to go through. What the families and ancestors have gone through, to achieve that kind of comfort and confidence in what they are, and what they know.

White privilege is to be born with it.
While others have to fight for it.

1920's CULTURAL CANNIBALISM IN BRAZIL

Brazilian portuguese belongs to Brazil, not to Portugal. In the 20's when we finally achieved the confidence to say- No, you don't get to correct how we speak. This is our language, not yours anymore. Modernism!

Sure it is still Portuguese. But what we have now is: consumed, digested and vomited out version of the mixture of african, indigenous and european influences that make up our shared identity.

WELCOME TO

HOSPITALWORLD...

To be WELL-ADJUSTED in HOSPITALWORLD, you must
BECOME HOSPITALWORLD. In this terminal ratrace
you should be the vilest and fattest.

You should EAT BABIES and send the WEAK OF MIND to ce-
tain DEATH. This will temporarily ensure your own
SURVIVAL. To truly be the patriarch of HOSPITALWORLD
you must be a PSYCHIATRIST OF HOSPITALWORLD...

RIGHTOUS and STERILE, disguising DISEASE as WELLBEING
So you can feel superior and DIAGNOSE those worse at
HIDING their sick minds...

Streets are the hallways in HOSPITALWORLD and each
"home" in HOSPITALWORLD is WHITE & PADDED.

TO BE RICH in HOSPITALWORLD is to have the WHITEST
and most PADDED of "homes", you can pretend you are
not a PATIENT of HOSPITALWORLD, and you don't have
to listen to all the annoying screams and whining
from less SUCCESSFUL patients of HOSPITALWORLD.

ADVICE

ON HOW TO MAINTAIN SUPERIORITY
AND POPULARITY IN HOSPITALWORLD

"1: nNE^VER NEVER NEVER speak of

HOSPITALWORLD!"

"2: It is BAD for treatment to be aware of TREATMENT.
it is much better for your PROGRESS in HOSPITALWORLD
to avoid further insight in your case if you are not
able to handle your own disabilities.
It is also much easier to focus on on the aspects of your
own IMPERFECTIONS when you're not constantly reminded of
everyone else's issues. YOUR ILLNESS IS UNIQUE and
your torment

requires special attention!

3: Keep reminding everybody that they are

SICKER THAN YOU

"HospitalWorld runs smoothly because the neatest, whitest
regulate n DIAGNOSE the ones worse at acting NEAT.
HOSPITALWORLD applauds HUMILITY and EMPATHY:
Put your own issues aside and point out other Patients,
disabilities and imperfections. That psychiatry diploma
is just a helpful remark away

4. where some weaker patients with twisted perceptions
of "reality" and "justice" will try to call you out!

as a selfish sociopath that doesn't consider their "rights"

AND "FEELINGS"

HOSPITALWORLD sees a go-getter willing to walk the extra mile
for their personal WELL-BEING!
